

Tips for Keeping Your Gated Community Clean and Take Care of Your Property

Living in a clean environment makes life healthier, less stressful, and more pleasant. It can improve the self-image of residents and of the neighborhood.

- Be a helping hand and pick up a piece of litter every day.
- Keep a litter bag in your car or your recreational vehicle so you dispose of litter properly.
- Read the instructions from the solid waste department about disposing of your garbage and recycling. Check the solid waste calendar to know what type of waste is being collected and when.
- Clean up after your pets. Use the doggy bags placed throughout the community for your convenience and use. Please, do not misuse these bags.
- Avoid bugs by keeping your trash bins clean.
- When using the pool area, please tie down the umbrella if used, leave the table and sitting area clean, after using the restroom leave it in a better way than found, and do not misuse paper towels or soap.
- No loud noises, yelling, or loud music.
- Take care of the doorknobs of the pedestrian doors at the gate entrance.
- Do not feed the ducks that are found on the property.
